Able Information Technologies, Inc. Honored As Distinguished Anchor Business For The Second Year In a Row

Chandler, AZ. June 17, 2009: Able Information Technologies, Inc. (www.ableinc.com), a provider of complete technology solutions for the past 16 years and the #1 E-Rate provider in the Southwest, has been honored for the second consecutive year as a "Distinguished Anchor Business in Chandler, AZ".

In a ceremony honoring "The Chandler 100", the Chandler, AZ Chamber of Commerce recognized Able, Inc. as a "top business and economic contributor" during 2008. Specifically, Able was recognized for its growth of revenue and number of employees. Despite the challenging economic environment, Able experienced considerable growth last year, and it opened a branch office in Texas.

Duke Merhavy, Director of Marketing at Able, Inc., who accepted the award on behalf of the Company, said that the "Company is very happy to be honored again as a distinguished business". Mr. Merhavy added that "Able is doing its part of helping businesses cut costs and grow, by offering unique money-saving service packages to its customers".

About Able Information Technologies, Inc.

Able is a Chandler, Arizona-based provider of complete technology solutions for commercial, government and educational organizations, with offices in Arizona, New Mexico, and Texas. Since 1993, Able has been providing solutions for clients to solve their current and future technological challenges. These solutions allow clients to grow their business and expand their organization's vision in partnership with the Southwest's leading IP and networking solutions provider.
