Able Information Technologies, Inc. Recognized By The AZ Small Business Association

Chandler, AZ. September 9, 2008: Able Information Technologies, Inc. (www.ableinc.com), a provider of complete technology solutions for the past 15 years and the #1 E-rate provider in Arizona, has been recognized as one of the 2008 Comerica Bank Arizona Companies to Watch by the Arizona Small Business Association (ASBA). Judges evaluated the companies for their demonstrated intent and capacity to grow based on employee or sales growth, exceptional entrepreneurial leadership, sustainable competitive advantage, or other notable factors that showcase the company's success.

Last year, Able has experienced more than a 230% increase in revenue, almost doubled its workforce, doubled its fleet of vehicles, and opened a branch office in New Mexico. Brandon Ames, President and CEO of Able, Inc., said that he is "very proud to be recognized by ASBA for Able's contribution to the State's economy". Ames added that "next year will be another growth year for the Company marked by higher revenues, additional employees, and a new, bigger facility that is being built to host the Company's headquarters". Able, Inc. is planning to expand its operations, beyond Arizona and New Mexico, to other Southwestern States in the near future.

"Companies to Watch awardees are one of the reasons that Arizona leads the country in economic growth. Through the efforts of great employees who deliver innovative products and services, these companies are growing at over four times the national average!" said Joan Koerber-Walker, CEO of the Arizona Small Business Association.
