## **Able Information Technologies, Inc. Wins National Award from Inc. Magazine For The Second Year in a Row**

**Chandler, AZ. August 19, 2009:** Able Information Technologies, Inc.

([www.ableinc.com](http://www.ableinc.com)), a provider of complete technology solutions for the past 16 years and the #1 E-Rate provider in Arizona, announce today that it has been recognized, for the second year in a row, by Inc. Magazine, for its accomplishments as one of the 5000 fastest-growing private companies in America.

For more than 28 years, the Inc. 5000 list has served as a benchmark for the most innovative, dynamic, and successful companies in the nation. This year, Able has earned the rank of 2658 out of all privately-owned companies in the entire country. This ranking represents a ranking improvement of more than 400 spots, relative to last year's placement. During 2008, Able has expanded its product and service offerings to its customers, and opened a new branch office in Texas.

Brandon Ames, President and CEO of Able said that he was "extremely proud that even with challenging market conditions Able and its employees made significant progress in its national ranking by Inc. Magazine." Ames added that "new offerings by the company, such as Managed Services, which were designed to address current market conditions, contributed to Able's continued success."

### **About Able Information Technologies, Inc.**

Able is a Chandler, Arizona-based provider of complete technology solutions for commercial, government and educational organizations, with offices in Arizona, New Mexico, and Texas. Since 1993, Able has been providing solutions for clients to solve their current and future technological challenges.
